LOCAL ACTIVITIES

Two Appalachia backup wells still not operational, expect them to be ready the week of Oct 31st and will sample when pumps/electricity are connected. The Town of Big Stone Gap is acquiring a pump that will return the water overflow to the water treatment plant. ***There is a renewed emphasis with Public Service Announcements to inform citizens the situation has not improved and still remains critical.***

MECC is exploring an abandoned well site on the property as a potential potable water source.
